Business Entity (Agency)

Add or Terminate Affiliation Form

Pursuant to 1413 Section 4, a business entity, whether it has a location in this State or not, must be licensed as an insurance producer, adjuster or consultant business entity in order to authorize individual licensees to act on the entity's behalf. A business entity has no authority to act on its own without an individual licensee.

Note: The Bureau of Insurance does not affiliate to branch locations only to the primary office.
