Renewal Applicants (Resident & Non-Resident) complete application and sign.

If a guide license has been expired for 3 years or more, the applicant must apply and test as a new applicant

RENEWAL APPLICANT – Effective November 1st, 2017, Maine Law requires all hunting, fishing, recreational, sea-kayaking and tide-water fishing guide applicants submit to a criminal history records check, that includes criminal history record information obtained from the Maine Criminal Justice Information System and the Federal Bureau of Investigation. *Note:* The state and federal agencies conducting the record searches do not save fingerprint submissions and must be retaken by the applicant for each renewal period for identity confirmation.

To start the fingerprint process, visit <https://me.ibtfingerprint.com> or call 1-855-667-7422 and select "Schedule a New Appointment."

Next step, wait approximately 30 days after the submission date of your fingerprints through IdentoGO, to hand deliver, mail, or email your completed guide renewal application, along with your renewal payment to Inland Fisheries and Wildlife, **attention:** Billie-Jo Walker, 353 Water St. 41 SHS, Augusta, ME. 04333-0041, or email: Guide.IFW@Maine.gov. The 30-day waiting period for the submission of your application is necessary to ensure the department has received your background information from the responding agencies.

Non-Resident only will also need to print blank finger print cards to take to the appointment location, through <https://www.fbi.gov/file-repository/standard-fingerprint-form-fd-258-1.pdf/view>.

Current first aid is not required to renew a guide license.
